

We go where families already are.

Four programmes across Waterloo Region. Nobody asked to prove anything.

Our programme budget for the year is \$16,700. We have raised \$100.

Give to the whole year, to one programme, or to whatever we need most. **Unrestricted does the most work** — it lets us put money where the shortfall actually is.

Programme	This year	Cost	Raised
Children's Gift Programme	200 children, every age band. Registration closes early November.	\$7,000	\$100
Community Voices	Three policy dialogue sessions, each published	\$4,500	\$0
Civic Access	Six community awareness sessions	\$3,600	\$0
Community Wellbeing Table	Four full days, staffed and multilingual	\$1,600	\$0
TOTAL		\$16,700	\$100

WHAT EACH ONE IS

Children's Gift Programme. Families register in advance — first name and age band only, no documents, no proof of hardship. Every registered child receives a gift held back for their age. **The age we are always short of is 13 to 17.** \$35 a child.

Community Voices. Families with lived experience in the room with the service providers, employers and decision-makers who shape their lives. Every session publishes what was said and what was asked for. Non-partisan; never during an election campaign. \$1,500 a session.

Civic Access. How local government works and how to take part — who can vote, what ID is accepted, where to go. **We tell people their vote matters and how to use it. We never tell them who to use it on.** \$600 a session.

Community Wellbeing Table. Staffed in several languages, with clear information on mental health, employment insurance and housing help. No forms, no registration, no names taken. \$400 a day.

TWO THINGS YOU SHOULD KNOW

We are not a registered charity and cannot issue tax receipts. Fondation Mir Héritage is a federal not-for-profit corporation working towards registration. A gift to us is a gift, not a deduction. You should know before you give, not afterwards.

We use one email address: info@mirheritage.com. Events in this region have been targeted by people impersonating organisers and requesting e-transfers to look-alike addresses. If a request comes from any other address, it is not us — telephone 226-978-2392 and check.

HOW TO GIVE

Online or monthly: through Zeffy, linked at mirheritage.com — no commission, the full amount reaches the programme. \$30 a month funds ten children a year, or most of a Civic Access session. **Cheque:** payable to Fondation Mir Héritage. **e-Transfer:** info@mirheritage.com. **In kind:** new unwrapped gifts, especially for teenagers — email first.

By 31 December we will publish, programme by programme, who we reached, what we raised, what we spent and the cost per person. If the numbers disappoint, we will publish them anyway.
